Issue.

It seems about time Residency Surgeon, who controls a large hospital with a Big Budget, should have to come up to us for sanction to employ a sweeper @ 13/- pm. Is there no provision in the regulations for delegation of authority to Residency Surgeon to sanction expenditure of this sort? (Residency Surgeon told me one day that in Western India States Agency considerable authority has been delegated to Agency Surgeon, Rajkot & and that this delegation has obviated a lot of references to AG's office on trivial points)

The position is not clear. Under Article 100, C.A.C., all recurring contingent charges require the sanction of ~~the~~ Government. But this rule is not applicable to payments on account of menials whose pay is met out of contingencies - vide Note 1 under Article 85. Presumably, such payments are to be treated as ordinary expenses for which no sanction of the Local Government is necessary (Article 83). In that case, no delegation appears to be necessary; the Residency Surgeon can himself incur expenditure on menials subject to budget provision and any scales and restrictions ~~xxxx~~ which may have been imposed by the Local Government.

SUBJECT:- Entertainment of 2 additional dhobies in the Bowring & Lady Curzon Hospitals, Bangalore.

Sir,

I have the honour to state that the maternity cases treated in the Lady Curzon Hospital are steadily on the increase as may be seen from the statistics appended below :-

Year	No.of cases.-
1932-33 ...	1,519
1933-34 ...	1,622

Consequently the washing of soiled linen has considerably increased so that the present strength viz.,1 Master Dhobie on Rs.50/- and 11 cooly dhobies at rates varying from Rs.5/- to Rs.20/- p.m., is unable to manage the increasing work.

I therefore have the honour to request you kindly to obtain the necessary sanction of the Hon'ble the Resident in Mysore for the entertainment of 2 additional dhobies from 1st April 1934 or from the date of entertainment on a monthly pay of Rs.20/- each.

The extra expenditure can be met from the Budget grant for

for the current year.

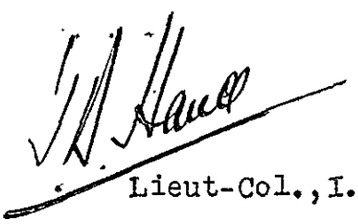
Sir,

Your most obedient servant,



Lieut-Col., I.M.S.,

Subject :- Entertainment of an additional sweeper.

Sir,

I have the honour to state that at present there are only 2 sweepers employed in the Bowring Civil Hospital and 4 in the Lady Curzon Hospital and it has been found impracticable to employ a whole time sweeper for the Laboratory.

Now that the work of Pathology has increased consequent on the re-organisation of the Laboratory a whole time sweeper is necessary. I therefore have the honour to request that the sanction of the Hon'ble the Resident may kindly be obtained for the entertainment of an additional sweeper on Rs.13/- per mensem from the 16th April 1934.

The extra expenditure can be met from the Budget grant for the current year.

I have the honour to be,

Sir,

Your most obedient servant,

Residency Surgeon.
